Examples:

At my best, I am...

*An intuitive, trusting go-getter who finds life intriguing, catches on quickly, & enjoys working with the best.
A driven, charismatic self-starter who anticipates alternatives and appreciates the differences in others.*

At my worst, I can be perceived as...

*An unbalanced, know-it-all perfectionist who jumps to quick decisions, and plays favorites.
A confrontational, close-minded poor listener who places individuals above the group, and speaks before she thinks.*
